WA Reg. No. 91327-XXXXX

MOBILIZE

WATER CONDITIONING AND DRIFT CONTROL AGENT

PRINCIPAL FUNCTIONING AGENTS

Ammonium sulfate, glycerol, phosphoric acid...	35.0%
Constituents ineffective as spray adjuvants.....	65.0%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If Swallowed: Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give liquids by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If In Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Immediately call a poison center or doctor/physician if eye irritation persists.

If On Skin Or Clothing (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

GENERAL INFORMATION

Mobilize contains water conditioning properties and a nonionic polymer ingredient designed to improve the precision of spray applications and reduce off-target drift. It is suitable for use on both conventional and transgenic crop varieties.

When used at labeled rate, Mobilize will optimize the angle of the spray pattern as the spray exits the nozzle, to give maximum coverage of target surfaces while minimizing "pattern fringe" which contains the most driftable particles.

Mobilize is intended for use as a tank-mix adjuvant where a deposition or drift control agent is required or recommended.

Mobilize technology has been proven to increase glyphosate activity. This product also contains emollients which may improve absorption of herbicides into leaf surfaces.

Mobilize also contains buffering and sequestering agents to minimize hard water mineral antagonism of pesticide.

Mobilize may be used when the pesticide label recommends the use of an ammonium sulfate deposition aid or drift control agent. It is compatible with tank mix nonionic surfactants.

ENVIRONMENTAL HAZARDS

Not for aquatic use. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

KEEP OUT OF REACH OF CHILDREN WARNING

HAZARD STATEMENTS

Causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS

Do not breathe mist/vapors/spray. Wash thoroughly after handling. Wear protective gloves/eye/face protection. IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Immediately call a poison center or doctor/physician if eye irritation persists. IF ON SKIN (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store in a closed container. Keep container tightly closed. Store in original container. Store at ambient temperature. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products. Do not use or store near open flame.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrcycle.org. Dispose of contents/containers in accordance with local/national regulations.

IN CASE OF SPILL

In the event of a major spill, fire, or other emergency, call CHEMTREC at (800) 424-9300.

Mobilize is Manufactured for Aspect Ag, LLC

NET CONTENTS

30 Gallons (113.56 Liters)

265 Gallons (1,003.13 Liters)

DIRECTIONS FOR USE

Mobilize is intended for use with products registered for agricultural, horticultural, turf, ornamental, industrial, and non-crop use. Mobilize should be added to the diluted spray solution prior to the addition of any pesticides.

Ground and Air Rates:

Normal Use: 2 to 3 quarts per 100 gallons of water

Hard Water: 3 quarts per 100 gallons of water.

Mobilize contains the equivalent of 2 lbs ammonium sulfate per gallon.

NOTE

The efficacy of Mobilize and the performance of the spray application may be affected by various environmental factors and the condition and operation of the spray equipment. Periodic calibration of spray equipment and visual inspection of the spray application may necessitate an adjustment of the adjuvant rate. When used according to the Directions For Use, Mobilize is compatible with most pesticides and fertilizers.

NOTICE-READ CAREFULLY

TERMS AND CONDITIONS OF SALE: Buyer and user's receipt of any goods delivered hereunder shall be an unqualified acceptance of and a waiver by buyer and user of any and all claims with respect to such goods unless buyer or user gives seller notice of claim within fifteen (15) days after such receipt. Buyer shall be liable for any shortages of goods delivered hereunder, unless buyer gives seller notice of such shortages of goods within twenty-four (24) hours from receipt of shipment of buyer. Buyer or user assumes all risk and liability from the results obtained by the use of any goods delivered hereunder, or in manufacturing processes of buyer, or in combination with other substances. Neither seller nor manufacturer shall be liable for any claim of any kind, whether as to goods delivered or for non-delivery of goods except specifically provided herein.

LIMITATION OF LIABILITY: In no event shall seller be liable for special, incidental, or consequential damages, or for damages in their nature of penalties relating to the goods sold. Seller shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by seller. Buyer's or user's exclusive remedy, and seller's total liability shall be for damages not exceeding the cost of the product.

WARRANTY DISCLAIMER: The goods sold to you by this agreement are furnished "as is" by seller, and are subject only to the manufacturer's warranties, if any, which appear on the labels of the products. Seller, make no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied or by usage of trade, statutory or otherwise, with regard to the product sold, included but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Ineffectiveness, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of seller.
